National Association for Business Resources Names The Nation's Best and Brightest in Wellness® for 2018

December, 2018 – Warren, MI — The [National Association for Business Resources](#) has named the Nation's Best and Brightest in Wellness®. (See following list of winners.) This program honors companies that promote employee wellbeing, worksite health and wellness.

The 2018 winning companies were evaluated by an assessment, created and administered by SynBella, the nation's leading wellness systems firm. Company entries are examined statistically for quantitative and qualitative data. Each survey was scored on a point system based upon criteria to benchmark and improve wellness program effectiveness. They include outcomes, analysis, tracking, participation & incentives, benefits and programs, leadership, employee input, culture and environment.

The Nation's Best and Brightest in Wellness® winners will be featured in the January 31, 2019 online edition of [Corp! Magazine](#). The winning companies will also receive additional recognition at the National Best and Brightest Summit, September 15 – 19, 2019 in Chicago, IL. “Health and wellness programs are at the forefront of every business looking to retain a healthy workforce.
