### **NYCM Insurance Named Among the Top Ten Best Companies to Work for in New York State**

(Edmeston, N.Y.) – NYCM Insurance has been ranked among the top ten in this year’s list of 2021 Best Companies to Work for in New York. This marks the fourth consecutive year that the insurance company has been named. Created by the New York State Society for Human Resource Management (NYSSHRM) and Best Companies Group, this statewide survey and awards program is designed to identify, recognize, and honor the best places of employment in New York, benefiting the state's economy, its workforce, and businesses. The 2021 Best Companies to Work for in New York list is made up of 70 companies selected based on a two-part evaluation, where each nominated company's policies, practices, philosophy, systems, demographics, and employee experience are reviewed.

“It is truly an honor to accept this award again,” says President & CEO Dan Robinson. “From the beginning, our goal has been to make NYCM Insurance an amazing place to work for the dedicated and passionate employees who provide care to our customers.”

When it comes to company culture, NYCM strives to be a leader, and does so by investing in their employees' overall health and well-being. They are known for their “employee-first” approach and work hard to build a culture of support and trust among their employee base. NYCM provides personal and professional development opportunities with programs such as their 365 Passport to Wellness Program, Employee Enrichment Journey, as well as their Education Incentive Program.
